

LOTERIA ARC-EN-CIEL

Lotería Arc-en-ciel

Planche 02

Explique les règles du jeu. Annonce quelle catégorie remporte la partie. Il existe les catégories L, G, B, T, I, Q, A et LGBTIQ* (toutes les cases). La première personne à avoir recouvert toutes les cases de la catégorie choisie avec des jetons gagne la manche.

Exemple :
Pour gagner avec la catégorie Q, toutes les cases blanches doivent être recouvertes de jetons.

Et c'est parti !
Tu es l'animateur·ice de la partie. Pioche face cachée l'une des cartes d'images et annonce son nom à haute voix.
Si un·e joueur·euse a cette image sur sa planche, iel place un jeton sur la case correspondante.

Pioche la carte suivante... et la suivante... jusqu'à ce que quelqu'un ait gagné.
Conseil :
Tu peux aider les joueur·euses en leur montrant la carte d'images piochée.

Jusqu'à 30 personnes peuvent jouer ensemble.
Prévois 20 jetons pour chaque joueur·euse. Il peut s'agir de haricots, de jetons ou de pièces de monnaie.
Chaque joueur·euse reçoit une planche de jeu et 20 jetons.

Préparation :
Imprime les 54 cartes d'images et les 30 planches de jeu sur du papier cartonné et découpe-les en suivant les lignes pointillées.

Tu peux également piocher les cartes en ligne d'un simple clic. Pour cela, rendez-vous sur notre application web « Online-Lotería » :
