

REGENBOGEN LOTERIA

Erkläre die Spielregeln.

Kündige an, welche Category das Spiel gewinnt.

Es gibt die Categorys

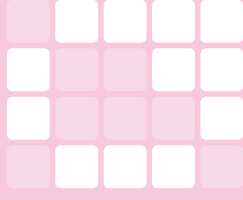

L, G, B, T, I, Q, A

und LGBTQIA* (alle).

Die erste Person, die alle Felder der Category mit Spielsteinen belegt hat, gewinnt die Spielrunde.

Beispiel:

Um bei der Category Q zu gewinnen, müssen alle weißen Felder mit Spielsteinen belegt sein.

Und los geht's!

Du bist Spielleiter*in. Ziehe verdeckt eine der Bildkarten und rufe laut ihren Namen aus.

Hat ein*e Spieler*in das Bild auf ihrer*seiner Spielkarte, legt sie*er einen Spielstein auf das Feld.

Ziehe die nächste Karte... und die nächste... so lange, bis jemand gewonnen hat.

Tip:

Du kannst den Spieler*innen helfen, indem du ihnen die gezogene Bildkarte zeigst.

Es können bis zu 30 Personen mitspielen.
Besorge für jede*n Spieler*in 20 Spielsteine. Das können Bohnen, Chips oder Münzen sein.
Jede*r Spieler*in bekommt eine Spielkarte und 20 Spielsteine.

Vorbereitung:
Drucke die 54 Bildkarten und die 30 Spielkarten auf starkem Papier aus und schneide sie entlang der gepunkteten Linien auseinander.

Du kannst die Karten auch online per Mausclick ziehen.
